MUR 5453

2004 SEP -2 P 4: 15

En-Tech Corporation

SENSITIVE

GENERAL COUNSEL'S REPORT #3

I. ACTIONS RECOMMENDED

Accept the attached conciliation agreement from En-Tech Corporation, and close the file as to this respondent.

II. DISCUSSION

In this matter the Commission found, among other things, reason to believe that En-Tech Corporation ("respondent") violated 2 U.S.C. § 441b(a). The Commission's finding was based on two Reports Analysis Division ("RAD") referrals addressing several areas of possible violations concerning several entities. In particular, the RAD referrals showed that on October 14, 2000, En-Tech Corporation made a corporate contribution to the Giordano for U.S. Senate Committee ("the Committee") in the amount of \$2,500. On May 18, 2004, the Commission approved a pre-probable cause conciliation agreement for respondent

26044131004

Accordingly, this Office recommends that the Commission accept the attached signed conciliation agreement, and close the file as to En-Tech Corporation.

III. RECOMMENDATIONS

1. Accept the attached signed conciliation agreement submitted by En-Tech Corporation.
2. Approve the appropriate letters.
3. Close the file as to En-Tech Corporation.
